

Atwater Elementary School District

Parent Notification Report

Grades 2nd – 6th

Form C

Student Name

Grade

School

C¹ Retention

- Student has not met grade level standards and is retained in his/her current grade. Student is strongly encouraged to attend Summer School but is not required to do so. (Parent has the right to appeal this decision to the Promotion Review Panel)

C² Conditional Promotion

Student may not be promoted to the next grade unless he/she successfully completes Summer School meeting all Summer School exit criteria because:

- Student has not made adequate progress toward meeting grade level standards

C³ Continued Remediation

- Student may not have met grade level standards but has demonstrated some academic progress and is promoted to the next grade. While not required, student should continue to receive remedial instruction next school year and in Summer School if there is space available and student is invited to enroll.
